

# Uintah High School

## Summer Agriculture/FFA Program

Experience 2022!

**Get a head start in FFA and Agricultural Sciences!**

**Summer Field Trip! Socials! Leadership Activities! FFA Activities!**  
**Earn ¼ Credit towards graduation!**

### *What is the Summer Agriculture program?*

The summer Agriculture program gives agriculture students an opportunity to earn 1/4 credit towards graduation by having a summer agriculture project. The SAE (Supervised Agricultural Experience) project can be anything ranging from raising an animal, working on a farm or in an agriculturally related business (paid or voluntary), growing a garden, managing a landscape, or even operating your own business.

### **Program requirements to receive ¼ credit:**

- ✓ *Complete the registration form found at [www.uintahffa.net](http://www.uintahffa.net) or register by adding the class on The AET.*
- ✓ *Register for an Agriculture Science Class at Uintah High School during the 2022-2023 school year. Incoming 9<sup>th</sup> graders can register for Summer Ag.*
- ✓ *Have an SAE project related to agriculture (Supervised Agricultural Experience)*
- ✓ *Have at least 3 visits by Mr. Wilson & Mrs. Riley.*
  - At least 1 visit should be made on site of the student's project.
  - "Project visits" include teacher coming to the SAE site, student attending any FFA activity or field trip, student coming to the school to work on record book, etc.
- ✓ **It is the responsibility of the STUDENT to be sure all 3 project visits take place!** Contact the instructors during normal school hours to arrange an appointment. No credit will be earned if project visits do not take place.
- ✓ *Complete SAE project record book*
  - You should log at least **90 hours** on your SAE project. Very simple to do in our record book [www.theaet.com](http://www.theaet.com)
  - **You should attend one record book help session scheduled if you have never kept FFA records in the past.**
  - Records are kept online and can be accessed from any computer. Record book must be complete by August 30<sup>th</sup> to receive credit.

\*\*There will be various activities throughout the summer. Such as summer Ag workshops, Summer Field trip/tour, BBQ and more! **They will be announced through text messages, emails, and posted on the website.** You are encouraged to participate. Be sure we have your contact information!

**To register, please contact Mr. Wilson, Mrs. Riley or register online at [WWW.UintahFFA.net](http://WWW.UintahFFA.net) Uintah High Agricultural Sciences Teachers: [David.Wilson@uintah.net](mailto:David.Wilson@uintah.net) , [Oaklee.Riley@uintah.net](mailto:Oaklee.Riley@uintah.net) 435-781-3110 ext. 2720, 435-828-6482.**

Be sure to frequently check out [WWW.UintahFFA.net](http://WWW.UintahFFA.net) for the latest information and calendar dates!
